The following Notices refer to the Illustrations used in these Bibles.

From the Rev. H. B. TRISTRAM, LL.D., CANON OF DURHAM :

"I have never seen any engravings equal to these for the purposes of Biblical Illustration. True to existing nature, exact in outline, beautiful in execution, they leave nothing to be desired. Knowing the country so well, I am pleased to have my recollections refreshed by the minuteness of detail: in which engravings got up for illustration so frequently fall short."

From the Rev. J. L. PORTER, D.D., PROFESSOR OF BIBLICAL CRITICISM :

"I have examined with care the views for Biblical Illustration. . . . The engravings are very beautiful. In clearness, accuracy, and general effect they surpass, I think, any I have seen. The places represented are all familiar to me, and I have been particularly struck by the fidelity with which your Artist has reproduced Frith's admirable photographs.

"The views of Hebron, Shechem, Tabor, Tiberias, and Jerusalem, could scarcely be surpassed."
